Sida uu raadiyaha cimilada ka diga kuu bedbaadin

Raadiyaha cimilada ka diga wuxuu maalintii oo dhan baahiyyaa xogta cimilada oo uu ka soo xigto National Weather Service.

Raadiyahan khaaska ahi wuxuu sidoo kale kaaga digayaa haddii ay duufaanno halis ah ama musiibooyn kale khatar ku keenaan aagga.

Musiibooynikan aaya waxaa ka mid ah duufaanno, daadad, baraf-guur, hawl-gabidda adeegga 911, digniinta AMBER, weesar argaggixiso iyo musiibooyn kale.

SIDA UU U

SHAQEYO: Markii ay musiiboo dhacdo, raadiyahaaga digniinta cimilada isagaa iskii isu shida. Wuxuu raadiyahaagu ka dhawaa-

jinayaa alaarmi loogu talaggay in aad ku toosto haddii aad huruddo.

Alaarmiga aaya kugu duwaya in aad shiddid raadiyaha. Markaa ka dib ayaad maqlaysaa xog muhiim ah oo ku saabsan musiibada.

Wararku waa Ingiriisi. Dhegastayaasha uu yar yahay Ingiriisigoodu waa in ay samaystaan talaggal horudhac ah oo ay ku turjuntaan xogta.

Aqri buugga mulkiilaah si aad u ogaato sida uu raadiyahaagu u shaqeeyo.

DIGNIINO MUUQAAL AH: Raadiyeyaasha qaar baa kuu muujiya digniin qoraal ah oo ku saabsan musiibada.

Mid ka mid ah noocyadaasi waa Midland® WR-100*. Tusaale, haddii dhegaystayaasha looga digayo suuragganimaada tornado (duufaan), raadiyahan wuxuu shaashadda

in ay musiibo jirto oo ay tahay in aad tallaabbo habboon qaaddid. Tallaabdu waxay ku xiran tahay nooca musiibada.

Nal hurdi ahi waxaa weeye "dhawr" oo muujinaysa in ay xaaladda jirtaayu musiibo keeni karto adiguna ay tahay in aad u diyaar garowdid in aad degdeg tallaabo ku bedbaadisa u qaadi karto.

Nal cagaarani waxa weeye "talo" oo micnaheedu yahay in aad u xog hay-sid xaaladda taagan iyo tan la sugayaba.

BATERI

DHEERAAD AH:

Waa in uu raadiyahaagu leeyahay beteri loo baxsado haddii ay korontadu tagto. Waa in aad sanad-kiiba ugu yaraan laba

goor bedeshid beteriyada, kuwo cusubna ay ka ag dhaw yihiin raadiyaha.

Raadiyayaasha cimilada ka diga waxaa lagu iibsan karaa dukaamo tafaariiqeedyo badan iyo internetkaba.

Xog dheeraad ah ka eego Websaytka National Weather Service's NOAA Weather Radio: www.nws.noaa.gov/nwr.

Adeegyada Turjumaadda waxaa ku deeqay Somali Community Access Network.

Jaantuskani wuxuu muujinayaa sida dignilin duufaaneedku uu aragtii ahaan uga muuqanayo raadiyaha nooca Midland WR-100.

hore ku soo qorayaa erayga "TORNADO" (eeg jaantuska). Duufaani waa mid ka mid ah kuwa ugu qalalaasaha badan dabaylaho dabeecadda.

Erayo kala duwan aaya soo muuqanaya oo ku kala saabsan musiibada.

Sidoo kale inta digniintu socoto, mid ka mid ah saddex nal oo ku yaal midigta sare ee shaashadda WR-100 aayaan nuuraya.

Nal cas waxaa loola jeeda "digniin" oo micnaheedu yahay
